

Grantee	Purpose	Date Committed	Duration (months)	Amount US\$000's
Bill, Hillary & Chelsea Clinton Foundation	for general operating support	2005-03	12	750
Bill, Hillary & Chelsea Clinton Foundation	to facilitate a summit of global leaders to identify solutions to some of the world's most pressing problems	2005-08	12	500
Bill, Hillary & Chelsea Clinton Foundation	to bring quality care and treatment to people living with HIV/AIDS and to improve health systems in resource-poor setting	2005-09	12	750
Bill, Hillary & Chelsea Clinton Foundation	to bring together a community of global leaders to devise and implement innovative solutions to the world's most pressing challenges in the areas of poverty, religion, energy and global health	2006-07	12	500
Bill, Hillary & Chelsea Clinton Foundation	to enable ongoing supply of affordable first-line HIV/AIDS medicines to developing countries and to share the Clinton Foundation's technique and expertise	2006-10	36	8,362
Bill, Hillary & Chelsea Clinton Foundation	to bring quality prevention, care and treatment to people living with HIV/AIDS and to improve health systems in resource-poor settings	2006-11	36	5,258
Bill, Hillary & Chelsea Clinton Foundation	to support the third Clinton Global Initiative Conference	2007-09	12	247
Bill, Hillary & Chelsea Clinton Foundation	to support the third Clinton Global Initiative Conference	2007-09	12	247
Bill, Hillary & Chelsea Clinton Foundation	to test new models of improving access to ACTs in private sector outlets through a pilot program in rural Tanzania	2007-10	22	971
Bill, Hillary & Chelsea Clinton Foundation	to support the fourth Clinton Global Initiative conference	2008-09	2	493
Bill, Hillary & Chelsea Clinton Foundation	to support the 2009 Clinton Global Initiative	2009-09	12	500
Bill, Hillary & Chelsea Clinton Foundation	to increase access to HIV/AIDS treatment in developing countries by optimizing funding to improve health systems and establishing new models of care	2009-11	7	3,400
Bill, Hillary & Chelsea Clinton Foundation	to improve the delivery of global health interventions by enhancing the quality of decisions through the application of quantitative tools and methods	2009-11	25	2,231
Bill, Hillary & Chelsea Clinton Foundation	to convene a conference of scientific experts to review and prioritize opportunities for technical interventions that will lead to reductions in commodity spending for the treatment of HIV/AIDS in emerging markets	2010-04	11	313
Bill, Hillary & Chelsea Clinton Foundation	to support the 2010 Clinton Global Initiative	2010-08	11	500
Bill, Hillary & Chelsea Clinton Foundation	to support the 2011 Clinton Global Initiative	2011-09	10	500
Bill, Hillary & Chelsea Clinton Foundation	for endowment support	2014-07	54	10,000
Bill, Hillary & Chelsea Clinton Foundation	To provide general operating support to the Clinton Global Initiative Annual Meeting	2016-09	4	100
Clinton Global Initiative Inc.	to support the 2012 Clinton Global Initiative	2012-10	1	500
Clinton Global Initiative Inc.	to support the Clinton Global Initiative in 2013, 2014, and 2015	2013-10	24	1,500
Clinton Health Access Initiative Inc	to support the Affordable Medicines Facility	2009-03	53	11,501
Clinton Health Access Initiative Inc	to improve the efficiency of commodity spending in public health programs across the developing world by pursuing targeted interventions that significantly reduce per-patient commodity costs for HIV/AIDS, malaria, and tuberculosis	2010-06	49	4,165
Clinton Health Access Initiative Inc	to secure sustained financing for malaria control in target countries to enable them to reduce malaria infections on their path to malaria elimination	2010-10	14	999
Clinton Health Access Initiative Inc	to accelerate introduction of pneumococcal and rotavirus vaccines	2011-02	60	17,371
Clinton Health Access Initiative Inc	to achieve substantial reductions in commodity spending for the treatment of HIV/AIDS in emerging markets..	2011-07	58	9,161
Clinton Health Access Initiative Inc	to provide funding for Clinton Health Access Initiative (CHAI) to allow the organization to build long-term financial sustainability	2011-11	65	7,461
Clinton Health Access Initiative Inc	to improve support for malaria for countries which have achieved successful control of malaria, through the development and implementation of financing mechanisms and more cost-effective operational strategies	2011-11	61	5,465
Clinton Health Access Initiative Inc	to drive MOH-led Implementation of Male Circumcision Scale-up in Zambia	2012-10	37	1,964

Clinton Health Access Initiative Inc	to support new vaccine introductions and the concurrent introduction of pneumococcal and rotavirus vaccines in Tanzania through technical assistance, strengthening the capacity of the government to effectively execute	2012-11	18	799
Clinton Health Access Initiative Inc	to reduce diarrhea-related mortality by developing and scaling effective product presentation and delivery models to rapidly and cost-efficiently increase coverage of oral rehydration salts (ORS) and zinc with a focus on high burden areas of India	2012-11	53	12,761
Clinton Health Access Initiative Inc	to improve global access to second line TB drugs by creating a platform for the consolidated use of existing products and the introduction of new drugs and diagnostics	2013-06	43	4,873
Clinton Health Access Initiative Inc	to provide technical assistance to governments in key geographies to facilitate the introduction of new vaccines and expand access to routine vaccines	2013-11	80	28,701
Clinton Health Access Initiative Inc	To rapidly reorient national malaria programs towards elimination in Mesoamerica and Hispaniola by providing direct, targeted technical support to governments and actively preparing the region for sustainable elimination by 2020. A supplement investment also seeks to inform the establishment of a high level political advocacy platform to ensure the appropriate level of domestic financing is secured within the region to fund the overall effort.	2014-04	41	2,830
Clinton Health Access Initiative Inc	to increase access to contraceptive implants in the developing world as part of a larger effort to ensure that all women have access to the broadest range of family planning methods possible	2014-06	43	5,052
Clinton Health Access Initiative Inc	To reduce child mortality through increasing vaccine visibility in 6 states, and through increasing availability of vaccines in Lagos state.	2014-08	25	510
Clinton Health Access Initiative Inc	to support six countries in southern Africa and four in the Greater Mekong Subregion to sustainably accelerate regional efforts to eliminate indigenous cases of Plasmodium falciparum malaria over 2015-2020 by providing direct technical and	2014-10	74	65,260
Clinton Health Access Initiative Inc	to build the technical capacity of the government at the national and selected local government authority (LGA) level to ensure the establishment of strong structures to oversee and coordinate an integrated community health strategy	2014-11	37	1,176
Clinton Health Access Initiative Inc	to support the Ministry of Health of Tanzania through the joint development of Vaccine Information Management System and support better management of the immunization supply chain	2015-06	34	805
Clinton Health Access Initiative Inc	to accelerate scale-up of voluntary male medical circumcision by strengthening the capacity of the national programs within the governments of Zambia, Zimbabwe and South Africa	2015-06	66	15,041
Clinton Health Access Initiative Inc	to bring sustainable change in TB test prescription behavior of private providers, expand availability of low cost and validated TB diagnostics at private labs, and strengthen systems for private laboratory notification of TB cases in India	2015-07	33	1,675
Clinton Health Access Initiative Inc	to drive the widespread availability of key commodities for the treatment of pneumonia and diarrhea in under-five children in Ethiopia	2015-09	54	14,759
Clinton Health Access Initiative Inc	to better understand the impact of various interventions (process chemistry, sourcing, market shaping) toward reducing the prices of vital medicines	2015-10	24	300
Clinton Health Access Initiative Inc	to sustainably increase coverage with safe and potent vaccines by improving vaccines cold chain systems in Ethiopia, India, and Tanzania, as well as the global cold chain equipment market dynamics	2015-10	75	16,124
Clinton Health Access Initiative Inc	to support a process evaluation of a prioritized list of differentiated models of HIV care currently being implemented as part of Malawi's national HIV program	2015-10	16	427
Clinton Health Access Initiative Inc	to enable the widespread availability of key commodities for diarrhea and pneumonia treatment for under-five children at appropriate levels of care in three high burden states of Nigeria	2015-10	37	4,999
Clinton Health Access Initiative Inc	to prepare a landscape analysis of malaria advocacy partner networks in India and to prepare a national malaria elimination feasibility assessment for India	2015-11	21	550
Clinton Health Access Initiative Inc	to reduce childhood morbidity and mortality in Nigeria through improved, equitable and sustainable vaccine coverage and stronger immunization health systems which ensure adequacy and potency of new and routine vaccines	2015-11	77	21,999
Clinton Health Access Initiative Inc	to invest in the growth and long-term sustainability of a healthy implant market while supporting scale-up of expanded family planning method mix access and use in four countries through the use of data for decision-making	2016-07	35	5,782
Clinton Health Access Initiative Inc	To support Guatemala, Honduras, and Panama to eliminate indigenous malaria transmission and advance regional elimination	2016-10	11	7
Clinton Health Access Initiative Inc	to support Botswana, South Africa, Zimbabwe, Cambodia, Laos, and Vietnam to eliminate indigenous malaria transmission by deploying targeted interventions guided by strong surveillance systems in high priority regions.	2016-10	11	38

Clinton Health Access Initiative Inc	to improve vaccine stock visibility and adequacy in Nigeria across 3 states – Rivers, Niger, Lagos – and 68 local government areas, as well as building the capacity of the Nigerian national and state government to manage this work at scale	2016-11	22	590
Clinton Health Access Initiative Inc	to sustainably improve access to essential drugs and modern methods of contraception/family planning services by strengthening supply chain systems for public funded health initiatives in India	2017-09	21	296
Clinton Health Access Initiative Inc	to improve vaccine delivery from district stores to local health centers in Lesotho, many of which experience stock-outs, by exploiting the transport network of motorcyclists who deliver clinical samples for diagnosis in the opposite direct	2017-10	19	100
Clinton Health Access Initiative Inc	to strengthen the capacity of Afar and Somali’s Regional Health Bureaus to improve equity and coverage of immunization and of child health services in two emerging regions of Ethiopia	2017-11	55	5,298
Clinton Health Access Initiative Inc	to identify and address opportunities to reduce cost and improve availability of diagnostic and therapeutic commodities for screening and treatment of syphilis	2017-11	14	793
Clinton Health Access Initiative Inc	to fill priority gaps and strengthen systems of digital tools for malaria elimination	2017-11	50	10,827
Clinton Health Access Initiative Inc	to accelerate access to a highly optimal HIV treatment, dolutegravir, for people living with HIV	2017-11	50	3,297
Clinton Health Access Initiative Inc	to identify and bring to market innovative solutions to reduce maternal and/or newborn mortality or morbidity in connection with health facility births	2018-01	19	1,222
Clinton Health Access Initiative Inc	to support workshops in supply chain system design covering FP/MNCH products in 2 states in Nigeria	2018-03	13	63
Clinton Health Access Initiative Inc	to improve HIV diagnosis and treatment of newborns in Nigeria by developing an efficient and reliable information system for health workers to track diagnostic samples and access results using mobile phones	2018-04	19	100
Clinton Health Access Initiative Inc	to accelerate the diagnosis and linkage to treatment of unreached PLHIV through optimizing existing HTS strategies, linkage of HIV negative high risk populations to prevention interventions, and facilitate strategic deployment of innovative	2018-05	42	4,484
Clinton Health Access Initiative Inc	to increase access to post-pregnancy family planning services among women who deliver outside of the health system in the states of Nasarawa, Rivers and Lagos	2018-08	49	4,999
Clinton Health Access Initiative Inc	to transition FP Dashboards to full MOH ownership in Kenya, Nigeria and Tanzania in order to ensure sustained visibility into health workforce capacity and FP program performance and improved use of data for decision-making	2018-08	25	3,691
Clinton Health Access Initiative Inc	to identify, develop and scale new approaches to enhance immunization coverage globally	2018-09	57	36,529
Clinton Health Access Initiative Inc	to implement activities related to the Niger State PHC MOU. Specific activities include implementing a clinical skills building program for RMNCH including clinical mentorship approaches in high volume facilities and other adult learning me	2018-09	31	2,545
Clinton Health Access Initiative Inc	to provide technical assistance directly to the Kano State Ministry of Health to build a reliable and sustainable finance base for quality basic health care, focusing on activities across the maternal, newborn and child spectrum	2018-09	46	1,999
Clinton Health Access Initiative Inc	to support the set-up of a Botswana Emergency Operating Center (EOC) and assessment and design for using the EOC to accelerate malaria elimination and prepare for other public health emergencies	2018-10	3	35
Clinton Health Access Initiative Inc	to facilitate replication and scale up of private provider engagement models for TB in four states in India	2018-10	51	3,675
Clinton Health Access Initiative Inc	to assist the Government of Kaduna State to strengthen the delivery of Primary Health Care Services through improved management and to develop a technical assistance hub that will drive sustainability of the intervention	2018-11	9	281
Clinton Health Access Initiative Inc	To support the elimination of mother-to-child transmission of syphilis by expanding access to testing and treatment commodities, demonstrate scale-up in five partner countries and catalyze a global sustained transformative impact	2018-11	36	5,353
Clinton Health Access Initiative Inc	to better treat infants with moderate acute malnutrition in Nigeria by identifying them at immunization clinics, and providing their mothers with free vouchers for a nutrient-dense food	2018-11	24	100
Clinton Health Access Initiative Inc	to increase access to and accelerate uptake of DMPA-SC in priority countries including Ghana, Malawi, Myanmar, Nigeria and Uganda through global strategy support, development of low-cost training approaches, and in-country planning, coordin	2018-11	57	14,758
Clinton Health Access Initiative Inc	to provide short term funding to CHAI as dedicated TA to FP donors and NCPD to support development and packaging of analytics required for decision making at ministerial level that recognizes FP commodities as national strategic commodities and subsequent	2019-03	4	93

Clinton Health Access Initiative Inc	To support a high performing supply chain system, which supports EHP's overall strategic goal of effective leadership and accountable governance, at national and regional levels, to support delivery of evidence-based, high impact, health	2019-03	6	579
Clinton Health Access Initiative Inc	to address core challenges to effective application for and implementation of Malawi's current Global Fund HIV and TB grant	2019-04	27	993
Clinton Health Access Initiative Inc	to enhance vaccine coverage in Nigeria by redesigning clinic workflows to improve the efficiency and delivery of routine immunizations using a human centered design approach that considers the perspective of clinic users and workers	2019-05	24	100
Clinton Health Access Initiative Inc	to support the UNFPA Country Engagement working group as part of a wider UNFPA Supplies program reform effort to improve performance and refresh procedures in preparation for 2020.	2019-06	7	73
Clinton Health Access Initiative Inc	to increase capacity of quality laboratory services in Africa to support the efforts in eliminating the diseases that affect the world's poorest populations	2019-06	13	2,999
Clinton Health Access Initiative Inc	to identify problem areas and possible solutions for FP commodity availability in Nigeria	2019-07	7	84
Clinton Health Access Initiative Inc	to inform country malaria surveillance strengthening activities through the development and deployment of a standardized malaria surveillance toolkit	2019-07	29	2,264
Clinton Health Access Initiative Inc	To consolidate progress made so far and ensure that EPSA is able to sustainably ensure that cold rooms provide safe and consistent storage for vaccines	2019-08	38	3,600
Clinton Health Access Initiative Inc	to landscape service delivery models that leverage networks of care, and publish case studies of networks of care to raise global awareness and prominence of this concept	2019-08	13	494
Clinton Health Access Initiative Inc	to better understand how to move National Plans from policy to impact using oxygen systems in Uganda as an example	2019-09	39	2,000
Clinton Health Access Initiative Inc	to increase immunization coverage in low and middle income countries through optimizing the supply and affordability of life-saving vaccines	2019-10	36	5,722
Clinton Health Access Initiative Inc	to work closely with the Ministry of Health, the National Council for Population & Development, the Reproductive and Maternal Health Services Unit and development partners to secure increased domestic financing for family planning (FP) comm	2019-10	59	1,422
Clinton Health Access Initiative Inc	to develop and pilot a Common Geo-Registry platform	2019-10	38	1,995
Clinton Health Access Initiative Inc	to ensure the capacity building is embedded in the system and the grant activities are successfully transitioned to the National Vector Borne Diseases Control Program Secretariat	2019-11	35	2,761
Clinton Health Access Initiative Inc	to support MDA campaigns in schools and the community by developing a user-friendly electronic data collection tool to track progress, such as numbers and locations of administered drugs, and identify areas with low coverage	2019-11	26	279
Clinton Health Access Initiative Inc	to provide integrated planning support to the Ministry of Health in Burkina Faso to deliver against their strategic priorities	2019-12	42	2,670
Clinton Health Access Initiative Inc	to develop and build out the technical detail for UNFPA Supplies to operationalize the high-level country engagement model	2020-01	6	99
Clinton Health Access Initiative Inc	to reduce the number of new HIV infections by advancing the effective and sustainable epidemiological and programmatic transition of Voluntary Medical Male Circumcisions, while informing the transition of other donor-supported HIV programs.	2020-03	48	10,500
Clinton Health Access Initiative Inc	to develop an in-depth understanding of structural challenges faced by the Pharmaceutical and Medical Equipment Directorate and provide recommendations to address for improved supply chain functioning	2020-03	22	1,026
Clinton Health Access Initiative Inc	to provide a lifesaving respiratory support bundle to Ethiopia-based health centers in anticipation of COVID-related needs, including procurement, local production, and asset/inventory tracking	2020-04	20	1,638
Clinton Health Access Initiative Inc	to explore a sustainable financing model for electronic Logistics Management Information Systems (eLMIS)	2020-04	17	266
Clinton Health Access Initiative Inc	to support the United Nations' response to the ongoing COVID-19 pandemic	2020-05	8	633
Clinton Health Access Initiative Inc	to support Lagos State's Strategic Communication Initiative to combat COVID 19 Stigma and increase early reporting through the state's 'Creatives' Project	2020-05	8	100
Clinton Health Access Initiative Inc	to contribute to the Uganda Ministry of Health COVID response through a catalytic partnership with the private sector	2020-05	14	100
Clinton Health Access Initiative Inc	to support Nigeria's COVID-19 Emergency Response Systems Readiness for case management	2020-06	8	1,500
Clinton Health Access Initiative Inc	to secure sustainable FP commodity security by contributing to a pooled donor financing mechanism that incentivizes domestic funding for FP supplies in Kenya	2020-06	35	5,000

Clinton Health Access Initiative Inc	to increase access to and capacity of quality laboratory services in Africa to support the efforts in eliminating the diseases that affect the world's poorest populations	2020-07	15	4,002
Clinton Health Access Initiative Inc	to support Lagos State's COVID 19 case management through the procurement and installation of up to 50 oxygen kiosks to rescue the high number of severe case of COVID 19 being recorded in health facilities	2020-07	10	1,419
Clinton Health Access Initiative Inc	to improve digital information system for patient information management, patient notification, and supply management in health centers in Rwanda to help eliminate Hepatitis C infection in Rwanda	2020-07	30	2,497
Clinton Health Access Initiative Inc	to improve success of mass drug administration campaigns in low-middle income regions using a benchmarking approach to guide the behavior of individuals and teams by presenting them with the desired behavior being displayed by their peers	2020-08	20	100
Clinton Health Access Initiative Inc	to support the Government of Burkina Faso in the planning, resource mobilization and partner engagement for an effective response to the COVID-19 epidemic in the country	2020-08	9	300
Clinton Health Access Initiative Inc	to design an innovative approach for improving the provision of sickle cell disease testing linked to treatment programs in Ghana	2020-08	24	1,000
Clinton Health Access Initiative Inc	To advance data-driven, sub-nationally tailored malaria interventions in high burden Africa & the GMS, along with targeted support to and time-limited transition from previously prioritized elimination geographies	2020-08	48	74,867
Clinton Health Access Initiative Inc	to strengthen the ability of Mozambique's communicable disease surveillance system to track and respond to direct and indirect impacts of COVID-19	2020-09	12	1,289
Clinton Health Access Initiative Inc	to help the government improve COVID-19 testing access by supporting the efforts of the national and state governments to overcome key challenges around testing scale-up	2020-09	14	823
Clinton Health Access Initiative Inc	to better understand demand and to identify and address roadblocks to accessing antigen rapid diagnostic tests for COVID-19	2020-10	2	50
Clinton Health Access Initiative Inc	to support effective and efficient implementation of the LumiraDx platform and COVID-19 antigen tests across 14 initial countries in sub-Saharan Africa	2020-10	11	1,837
Clinton Health Access Initiative Inc	to inform new investments in TB diagnostic tools by assessing their potential impact on TB case finding, delays to treatment, program costs and patient costs in selected High-Burden Countries	2020-10	12	787
Clinton Health Access Initiative Inc	to support the use of GRID3 resources for improved health system planning	2020-10	24	1,878
Clinton Health Access Initiative Inc	to produce global strategic demand forecasts for malaria products	2020-10	63	4,994
Clinton Health Access Initiative Inc	to identify challenges and provide local solutions to address gaps in coverage and equity at every level towards achieving full immunization coverage in Bihar	2020-11	23	2,197
Clinton Health Access Initiative Inc	to landscape diagnostic needs and opportunities of Burkina Faso and Mali.	2021-03	10	200
Clinton Health Access Initiative Inc	to support the South African National PrEP programme	2021-03	25	1,291
Clinton Health Access Initiative Inc	to provide technical assistance to low- and low-middle income countries' COVID-19 vaccine and diagnostics programs and support COVAX communications to participating countries	2021-05	12	3,300
Clinton Health Access Initiative Inc	to assess the potential country-specific use cases for the Target Policy Profile tool in Cameroon	2021-06	5	39
Clinton Health Access Initiative Inc	to support an age and gender stratified sero-survey study for SARS-CoV-2 in Burkina Faso ahead of the arrival of their COVAX vaccines	2021-06	7	475
Clinton Health Access Initiative Inc	to conduct a landscape analysis of disease surveillance initiatives in the states of Uttar Pradesh and Bihar for formulating a roadmap for building a sensitive, agile event-based surveillance system in these states	2021-07	6	251
Clinton Health Access Initiative Inc	to strengthen the management, coordination, and effectiveness of HIV prevention programs and the COVID-19 response in Malawi	2021-07	30	1,500
Clinton Health Access Initiative Inc	to improve access to and use of data and analytics by national neglected tropical disease programs to inform programmatic and strategic planning and operations	2021-08	37	3,000
Clinton Health Access Initiative Inc	to implement integrated, end-to-end health campaign digitization platforms in three countries	2021-08	47	21,882
Clinton Health Access Initiative Inc	to eliminate endemic malaria transmission in Haiti	2021-09	37	4,769
Clinton Health Access Initiative Inc	to support elimination of congenital syphilis as a public health issue	2021-09	24	1,609
Total Grants from Bill & Melinda Gates Foundation				586,558
