**It is estimated there are about 170,000 Targeted Individuals in the U.S., and more than 1 million worldwide. It costs more than \$1MM per person per year, in tax dollars to operate the program. **2****

Although I have much respect for these individuals and their work, I feel the targeting program is much larger, This program escalated tremendously post 9/11, and with the current situation I feel it has grown to include most of the world population, though not all are subjected to the use of military electronic warfare technology at the same level. **4**

I have no affiliation with the leadership of Targeted Justice, their website has a wealth of information that this group has spent years researching. I have mirrored and copied relevant information as I have referenced NSA, FBI, CIA, whistle-blowers as a way to further document these crimes against humanity. If you would like to sponsor their research please visit: [//www.patreon.com/TargetedJustice](http://www.patreon.com/TargetedJustice) **5**

As I was watchlisted by the terrorist Homeland Security agency, this website will experience constant hacking and manipulation by these state funded terrorist. This is accomplished through our nations corrupt FISA courts and is a tool that HLS, FBI, NSA, DOJ, CIA, FEMA, FUSION CENTERS, and the lower branches of their terrorist cells, use in the extension of the CIA'S Project Monarch program. This is torture, human experimentation, and murder that is being committed against activist, whistle-blowers, and ordinary civilians. Although Senate hearings were held in the seventies, these agencies used the attacks of 9/11 to take away basic human rights and launch these attacks on a vast number of innocent civilians. Many have died as a result of these actions. **7**

The targeting program being carried out against whistle blowers, activist and civilians is just an [extension of the WWII NAZI program of experimentation, torture and mind control](#) used on civilians ran by Josef Mengele. This is probably a result of Operation Paperclip and the integration of these NAZI scientist into the American Government and NASA. It is apparent that members of our law enforcement and intelligence agencies are involved in this criminal activity. One must wonder if these groups have been infiltrated by terrorist agencies like ISIS or Al-Qa'ida which have formed Terrorist Cells within the USA government itself, the widespread knowledge that [HLS, FBI, DOJ, Fusion Centers, Police, Neighborhood Watch, citizen corps, freedom corps, etc are taking part in this as well as many corporations that activity participate in this program or censor information about it in order to maintain its secrecy.](#)

With documentation, evidence and intelligence agency professionals that testify of the targeted individual program, it can no longer be denied. Any agent or officer that questions this can only be seen as delusional. The denial of this program is commonplace in the law enforcement community where agents have the highest suicide rate of any profession as well one of the highest domestic abuse rates, it is unthinkable that these officers are not required to have semi annual mental examinations. When one shows that they are willing to hurt themselves or others, action must be taken to assure they dont.

With the overwhelming evidence and documentation of this program, we can easily see the same agencies that have turned the US into a surveillance state are actively censoring and manipulating all information about this program to cover up their participation in this NAZI like human experimentation, torture, and murder program of activist and whistle-blowers.

A simple google search will not only show this, but you will also see the propaganda that America has grown accustomed to in the fake news that has grown at a continuous rate since the 9/11 attacks. This brings to question, exactly what is the government willing to spend unlimited amounts of money to cover up?

Although I will try to gather information that is useful for other targeted individuals, this is my personal site so I will post to link the actions of these terrorist agencies to me personally. **17**

I drew the attention of Federal and State agencies as I became the 9/11 grass-roots organizer for Alaska in 2002. As we look at the history of the CIA'S abuse on civilians that pursue such course, this is self-evident. **18**

My Targeting escalated in 2012. This is when the 24/7 stalking began, the infiltration of all online accounts had began prior to this as I told many witnesses. As I was researching the Sandy Hook School Shooting, I was posting information on my website, MY FAVORITE MASON. This website is now on archive.org, yet I have embedded it and it can be seen in the pop down Links Tab. **19**

I was interested in this event as I had noticed a lot of oddities in many of these post 9/11 events. As I researched this I found that FEMA held a drill (EXERCISE) at Sandy Hook School one year prior to this shooting, they also held a drill on the day of the shooting twenty minutes away from this event. I copied and pasted these facts in my website as links to my research. **20**

I then found that the First Responder to this shooting incident, (William Halstead,) had an extensive history in Emergency Management, and with Homeland Security as well. BILL HALSTEAD PROFILE LINK: **21**

Fire chief linked gangstalking campaign, as with my harris county stalking that took place 26  
after I was stalked and set up by the Harris County police this same noise harassment used.  
I have video after video of these terrorist stalking me after I was forced to sale my home for  
first cash offer after renewed stalking by harris county police after my release from jail on  
falsified charges. This continues till this day with first responder participation, now in Texas  
City Texas. These same terrorist, homeland security, FBI, Police, etc monitor, manipulate and  
infiltrate all internet and cellular communication as I prepare to fight these fraudulent  
charges. With the participation of the USPS they also stop the delivery of court related  
documents.

Rick and Cindy Krlich claim they've been beeped incessantly for 7 years. They're suing 40 27  
neighbors and have filed hundreds of police reports They claim the honking is part of a well-  
orchestrated campaign against them stemming from a 2007 property dispute.

Rick Krlich tried to buy his neighbors' house when it was in probate court. He said it 28  
annoyed the well-connected Clementes who turned the town of against him. John and  
Marlene Clemente deny there's a campaign. Mr Clementes was the FIRE CHIEF. For the last  
seven years, Rick and Cindy Krlich claim they've been the target of 'terrorist honkers'.

The Hubbard, Ohio couple say motorists driving past their home have beeped more than 29  
5,000 times out of revenge for trying to buy a neighbor's house in 2007. The married couple  
allege the honking, in addition to ongoing Harassment and Stalking, has ruined their lives  
and are suing 40 of their neighbors, including some of the small town's most prominent  
citizens. However their neighbors deny there's a 'small town terrorist campaign' against the  
Krlachs and insist the litigious pair are the ones disturbing the peace.

I do not believe in Conspiracy Theories, even the basic theories of gravity or relativity 30  
could be questioned, for they are just that, theories. I do believe in Criminal Conspiracies,  
the difference between these is a Criminal Conspiracy can be backed up with overwhelming  
documentation that supports this, the best documentation is often found released by the  
very criminals that are involved.

There is no denial of the targeting of civilians, this event is not limited to the terrorist 31  
agencies within our own government. From the CIA, MOSSAD, MI5, MI6, etc we see these  
agencies taking part in this targeting program World Wide.

There is no denial of the systematic removal of information about the 9/11 terrorist 32  
attacks, the Sandy Hook School Shooting, The 7/7 London Bombing, 1993 WTC Bombing,  
Oklahoma City Bombing etc from the internet as well as from all social media platforms. Just  
as with the quick removal of the WTC debris and the shipment of this to China, this is  
nothing more then the destruction of evidence. The owners of the accounts that this  
information is removed from, are the individuals that are soon targeted by these terrorist

agencies. Their very actions to silence the information of these crimes, once again points to the criminals that have knowledge of these actions and/ or took part in this.

I have been assaulted for many years by the government, I have endured cyber crime, 33  
cyber theft, assaults, broken bones, false imprisonment, drugging s, poisonings, constant  
repeated break-ins, stalking, vehicle tampering, set up by police, as well as uncountable  
other assaults. None of these compare with the assaults carried out by these agencies using  
electronic warfare technology. These are not uncommon, there are thousands and  
thousands of civilians that are reporting these same actions World wide.

These frequency weapons use a frequency close to that which is used in 5G technology. 38  
This has been spoken about for many years by many respectable individuals, one only needs  
to look as far as the top defense contractors for the United States to realize this technology  
has been developed and has been deployed. I firmly believe that this experimentation that  
has been carried out on targeted individuals is only a test run for a World-Wide assault that  
is/or will be carried out against the entire civilian population. Links below:
