

Department
for Culture,
Media & Sport

The green paper covers topics relating to the Future of UK Television and Media. More specifically, it includes content on:

- The current market and audience context
- Prominence of news and of public service media
- Future of TV distribution and regulation
- A new system for public service media
- Media literacy

What are your overall views on the future of television and media in the UK, related to the topics presented in this Green Paper?

This is the end of this section. By moving forward in this survey, you will no longer be able to edit any of your responses to this section.
